

Eligibility For Admission

Students should have passed the Higher Secondary Examination of (10 +2) Curriculum (Academic Stream) prescribed by the Government of Tamil Nadu with Mathematics, Physics and Chemistry as three of the four subjects of study under Part-III or any examination of any other University or authority accepted by the Syndicate of Anna University of Technology Chennai as equivalent thereto.

Candidates seeking admission to the first semester of the eight semester B.E. / B.Tech. Degree

Should have passed the Higher Secondary Examination of Vocational Stream (Vocational groups in Engineering / Technology) as prescribed by the Government of Tamil Nadu. Candidate should score 45% of marks (Reserved Category 40% of marks)

Lateral entry admission

(i) The candidates who possess the Diploma in Engineering / Technology awarded by the State Board of Technical Education, Tamil Nadu or its equivalent are eligible to apply for admission to the third semester of B.E. / B.Tech. in the branch corresponding to the branch of study.

(OR)

(ii) The candidates who possess the Degree in Science (B.Sc.) (10+2+3 stream) with Mathematics as a subject at the B.Sc. level are eligible to apply for admission to the third semester of B.E. / B.Tech. Such candidates shall undergo two additional Engineering subject(s) in the third and fourth semesters or fourth and six semesters respectively as prescribed by the respective Faculty.

ME/MTech Degree Programme

- Based on the entrance (TANCET / CET / GATE) marks conducted by the Anna University & Consortium of Self Financing Professional, Arts and Science Colleges in Tamilnadu

Master of Business Administration (MBA) Degree

- Based on the entrance (MAT / TANCET / CET) marks conducted by the Anna University & Consortium of Self Financing Professional, Arts and Science Colleges in Tamilnadu

Maths, physics not a must for engg: AICTE

Ragu.Raman@timesgroup.com

Chennai: In a controversial move that would impact the quality of engineers produced in the country, the All India Council for Technical Education (AICTE) has made mathematics and physics at Class XII-level optional to get admissions to BE and BTech courses from 2021-22.

As of now, Class XII-level maths and physics subjects are compulsory for admissions to UG programmes in engineering and technology.

The approval process handbook for 2021-22 released by the AICTE has changed the eligibility criteria for UG admissions. Now, students have to pass 10+2 with any of the three following subjects — physics / mathematics / chemistry / computer science / electronics / information technology / biology / informatics practices / biotechno-

PLAN FACES FLAK

► AICTE has made maths & physics at Class XII-level **optional** to get admissions to **BE, BTech courses from '21-22**

► **As of now, Class XII-level maths and physics subjects are compulsory for admissions** to undergraduate programmes in engineering and technology

► Move has come under strong criticism from academicians who say **mathematics is a foundation for all engineering degrees**

logy / technical vocational subject / agriculture / engineering graphics / business studies / entrepreneurship. Candidates have to score 45% marks (for reserved category students it's 40% marks) in the above subjects taken together.
