Student's feedback:

Explained About future master studies M. Tech.... Ph. D..... Our B.Tech has competition with MSc chemistry, MSc biotech. Biopharmaceutical is an emerging field... But low in number in India. Chennai, Bengaluru, Hyderabad are good places for career. Good salary compared to R&D, QC. Said bout upstream and downstream production unit. Microbiology field must be studied for QC, QA, R&D, and production dept. Learn instrumentation such as HPLC, GC. Initially, tough to survive in biotech field. Looking for opportunity from final yr onwards.

It was a wonderful experience as we had gained some intellectual knowledge about the stock market and stock investment. She had given some awareness about how we can achieve gain in stock market and what are the benefit regarding the stock. We really glad that it was a expert talk. She also show a seed in our mind regarding our life long investment. She had given some aware note regarding fraudulent of agreements and market traders.

She is quite good orator, she had explained about all the trading prospects either in share market and stock market, she also told about what does the matter interested herself to change her career in stock and share markets trading, she also trained around 150 members regarding the trading process, she told us some tips regarding buying and selling the stocks.

Alumni Talk – Success Stories Planned for May 2021:

S.No	Alumni Name	Topic	Planned Date
1.	Gajendra Babu- 2019 Batch (working in Faurecia for 2 years)	Transition story from College student to Faurecia employee	01.05.2021
2.	Karthick V - 2019 Batch (working in Samy Engineering Tools)	Balancing life in industry for arrear students	04.05.2021
3.	Surya N - 2019 Batch (Design Engineer, Sodecia India Ltd, Pukkathurai) & Praveenkumar – 2018 Batch (Design Engineer, Radha Engineering works Pvt limited)	Can arrear student will shine as a successful design engineer?	06.05.2021
4.	Manickam - 2019 Batch (Working in Precision Machines & Equipment's (P) Ltd.)	How to sustain in mechanical industries	09.05.2021
5.	Parthiban – 2019 Batch (Working in Hanon Automotive Systems)	How to develop the industrial career for freshers?	12.05.2021
6.	Ruban – 2015 Batch (working in Srimuga enterprises for 6 years)	Transition story from Operator to Plant Head	15.05.2021

VISION

Producing competent Mechanical Engineers by imparting quality education blended with human values to cater the growing industrial and societal demands.

MISSION

- To provide quality education and learning environment to the students through the state- of- the- art infrastructure in Mechanical Engineering.
- To develop collaborations with various Research & Development organizations and industry for excellence in research and consultancy practices.
- To empower the students to gain experience in team work and leadership qualities.
- To inculcate entrepreneurial skills, strong ethical values and professionalism among the students for contributing towards upliftment of the society.

The screenshot displays a Google Meet session. At the top, the browser's address bar shows the meeting URL: `meet.google.com/cmf-vjiq-prf`. The main content area is dominated by a presentation slide titled "Automation Tasks:" which lists the following items:

- 1. Introduction Training
- 2. Placement preparation
- 3. QA
- 4. Testing: consistent behaviour of the application (continuous development cycle)
- 5. Deployment
- 6. Support
- 7. Analytics

Below the presentation, the Meet interface shows a grid of participants. On the left, a small video feed of the presenter, Aswini S, is visible. To her right are icons for other participants: Ragul Ragul, a group of 32 others, and the user "You". The bottom of the screen features a control bar with icons for chat, video, audio, and other meeting functions. On the right side, a "People" sidebar lists the following participants:

- hajibabeab riyaz (Meeting host)
- HARIHARAN S
- Jayasurya D
- Jeevitha Govindan
- Keerthana Ravichandran
- Kirthika .M
- Kowsalya U
- Lakshmi Narayanan S

The bottom of the image shows a Windows taskbar with various application icons, including Chrome, Word, and Excel, and a system clock indicating the time is 10:15 AM on 12/3/2022.

A screenshot of a Google Meet session. The main window displays a presentation titled "Swing - Simple" showing Java code for a Swing application. The code includes imports, a class definition, and a main method. The application is titled "Swing - Simple" and has a menu bar with "File", "Edit", and "View". The code defines a class "Swing" with a constructor that sets the title and a main method that creates a new instance of the class and calls the "start" method. The presentation is being shared by Aswini S, who is visible in a small video window in the bottom left corner. Other participants are shown as icons in the bottom center. A "People" panel on the right lists the participants: Preethi Josh, PREETHIKA ELUMALAI, Ragul Ragul, Raji Sekar, Ravi .V, REKA K, S. SRINIVASAN, and Sakthivel J. The bottom status bar shows the time as 10:36 AM and the meeting ID as cmf-vjiq-prf. The Windows taskbar is visible at the bottom of the screen.
