### **GO GREEN CLUB ACTIVITIES**

#### **Event Details:**

The Go Green Club of KVCET involves in various activities towards the “Clean Campus Mission”. In order to keep the campus clean, students and staffs of the KVCET are actively involved in Swachh Bharat activities, plantation, creating awareness on waste disposal (degradable and non-degradable), ground water harvesting, etc. We ensure the cleanliness of, not only the surroundings, but also the class rooms, library, laboratories and auditorium. We also invite locally available eminent speakers to interact with our student volunteers on their current interests. Very recently, as a part of the cleanliness drive, on 22-06-2022, NSS organized Swachh Bharat activities within the College campus.
